El Cajon – On Monday, June 21, 2010, Congressman Duncan Hunter will host another community job fair at the Cuyamaca College Student Center in El Cajon, partnering with the East County Career Center and Cuyamaca College. Doors are open from 9 AM to noon.

“A strong job market is the cornerstone of a strong economy,” said Congressman Hunter. “While it’s important that we continue working to get our nation’s economy back on track, I remain committed to doing all I can to help put San Diegans back to work.

“Thousands of individuals ready to rejoin the workforce turned out to meet with local businesses at the previous job fair. This time, the event will be at an even larger venue with many community businesses and career advisors on hand.”

Businesses interested in participating in this event must return a completed REGISTRATION FORM to Congressman Hunter’s office. Any questions about the event should be directed to Congressman Hunter’s El Cajon office at 619-448-5201.
