

## **Status of Transportation Stimulus Funds**

(As of July 27, 2009)

T&I Total Stimulus:	\$63 Billion*
DOT Total Stimulus:	\$48 Billion
U.S. DOT Total Spent:	\$916 Million
	<b>Less than \$1 Billion</b>
U.S. DOT % Spent:	Less than 2%
U.S. Unemployment:	9.5%

### **State of California**

June Unemployment:	11.6%
DOT Obligated Funds:	\$2.45 Billion
California % Spent:	2.92%

\*Less than 7% of \$787 Billion of Stimulus funds were dedicated to transportation and infrastructure

Because of Federal Red Tape **less than 50%** of the limited transportation and infrastructure funds are obligated and only a small percentage in most states has actually been spent on job creation
