

**Washington DC**—Congressman Duncan Hunter announced today that he will host another community job fair, in partnership with the East County Career Center, on Friday, August 26, 2011, from 9 AM to noon, at the Cuyamaca College Student Center in El Cajon. The event is Congressman Hunter’s second job fair of the year.

“I’ve hosted several job fairs over the last two years,” said Congressman Hunter. “Each event has been a success and what I’m hearing from local businesses and job seekers is to keep them coming. Job fairs are a great way to bring together employers and those who are looking for work or interested in a career change. And if a job fair helps put at least one person back to work, it’s all the more reason to start planning the next one.”
