

For Immediate Release: February 6, 2012

Washington, D.C.— Representative Duncan Hunter announced today that he will host another community job fair, in partnership with the East and North County Career Centers, and the San Diego North and Poway Chambers of Commerce, on February 24, from 9 AM to noon, in the Poway Community Center auditorium located at 13094 Civic Center Drive. Admission is free.

“From one job fair to the next, the number of individual success stories have steadily increased and more positive experiences are anticipated for the next job fair,” said Hunter. “These events provide a great opportunity for employers and job seekers. We’re expecting another big turnout among local businesses—all with their sights set on meeting motivated candidates to fill a variety of positions.”

Additional information is available by contacting Congressman Hunter’s El Cajon office at 619-448-5201
